MINUTES  
of the  
58th MEETING

Present: Col. Bicknell, G-2  
Col. Ofsthun, A-2  
Comdr. Bailey, ONI  
Lt. Col. Kountz, JISPB Secretary

Lt. Col. Sturdevant) 2d part  
Lt. Comdr. Clinton ) only

1. The minutes of the 56th and 57th meeting were read and approved.
2. The board decided against using the reverse plate on Chapter covers. Straight black ink on base stock using the previously adopted design will be standard.
3. The situation relative to the base maps for JANIS 157 was covered by Comdr. Bailey. Lt. Quam was questioned on the situation of the base maps on Studies 104, 155 and 87.
4. Comdr. Bailey advised that he had discussed with Captain Moore the possibility of the Navy P-3 Section taking over the editing of the Palau Study, to which suggestion Captain Moore was agreeable. The board, however, took cognizance of Lt. Comdr. Clinton's statement that all editorial work should be accomplished in, or directed by this office. It was agreed that a conference would be held at 1400 to include the Board Members, Secretary, Lt. Colonel Sturdevant and Lt. Comdr. Clinton, whereupon the meeting was recessed.
5. The meeting reconvened at 1400, and Comdr. Bailey reviewed the editorial problem confronting this Board, particularly insofar as the Palau Study is concerned, as the Caroline Study will occupy much of the time left and it is essential that all editorial work on both studies be completed by 6 April. Lt. Comdr. Clinton elaborated on Comdr. Bailey's statement by pointing out the existence of many discrepancies which appeared in the submitted manuscript.
6. It was agreed that J.I.S.P.B. would send an editorial representative to the P-3 Section on 20 March to direct the editorial work on the Palau Study which Colonel Sturdevant agreed to undertake for this Board.
7. The Board desires to commend Lt. Col. Sturdevant for his excellent spirit of cooperation.

Meeting was adjourned.
